“ Harold and Tommy Clark were my 1st friends when myself and my Son Gary bought our house. He's always more than willing to help where he could. Most of he took care of his family and his neighbors. That man LOVED to grill and if there was enough you were always welcome. I truly have an emptiness in my heart.
You suffer no more Buddy fly high and I'm so grateful your not suffering anymore. Prayers for all the family and abundance of friends.
