

Howard Cordell Mea

April 24, 1961 - November 27, 2022

Howard "Porky" Mea, 61, passed away November 27, 2022, in Robinsonville, MS. A visitation will be held Thursday, December 1, 2022, from 12:00 p.m. to 2:00 p.m. at Coleman Funeral Home of Southaven (626 Star Landing Road East, Southaven, MS, 38672). A funeral service will immediately follow at 2:00 p.m., also at Coleman Funeral Home of Southaven. Interment will be at Desoto Memorial Gardens (630 Star Landing Road East, Southaven, MS, 38672). Bishop Emanuel Donis will be officiating. Coleman Funeral Home of Southaven is in charge of arrangements.

Porky was born April 24, 1961, in Anderson, IN. He lived life to the fullest and gave his all in all of his endeavors. He was a professional wrestler, a racecar driver, and a construction builder. His dream, however, was to become an auctioneer which he was able to accomplish as his last occupation. To know Porky was to love him, and to love him was to know him. He never met a stranger and helped many people throughout his life. Although he held many experiences and accomplishments throughout his lifetime, his pride and joy was his children and wife of 32 years, Amanda. Porky made an impact on so many lives and will be deeply missed.

Howard "Porky" Mea is survived by his wife, Amanda Mea of Southaven, MS; his sons, Kody Mea (Logan) of Hernando, MS and Tregg Bullion of Southaven; his grandson, Kayden Mea of Hernando; his granddaughter, Kaylee Mea of Hernando; his brothers, Terry Kingery of Celina, TN and Perry Kingery (Stacy) of Livingston, TN; his sister, Karen Crumpton (Timothy) of

Horn Lake, MS; and a host of nieces, nephews, and extended family members.

Online condolences may be left on his Tribute Wall at www.colemanfuneralhome.com.

On Sunday afternoon, although in reality Porky's physical presence will no longer be among us, he is alive with us as God has taken him now to continue God's work. We all have somewhere in time loss someone close to our heart-- be it a father, mother, son, daughter, grandfather, grandmother, aunt, uncle, etc. or friend. They are now in heaven with Porky. We in turn have never lost our loved one for they are with us every day. As we sit in the church, at work, school, sporting event, a family event etc. for they are in our thoughts. Man's accomplishments on earth is a measurement of his/her soul. Porky's soul shines as each of us comment about how he touched our lives. As we keep God in our thoughts every day of our lives, Porky and God are looking down upon us now and forever will be. We in turn will not know when, where, or how; but we too will once again be joined with Porky or our loved one as God has planned. As we sorrow for a loss of a loved one for days to come and commit the body into the ground, we must rejoice in Porky's coming unto God as he lives, as God lives, within us. My thoughts and prayers are with Amanda, Kody, Logan, grandchildren, and the family.

Karen, Perry, Terry, I have a lot of great memories as we grew up together. Many front yard sport activities in those memories, all fun and Porky was always at the center. Great to remember.

“ *Dear Amanda, Kody, and Family--Both my deceased husband, Pepper Munsey, and I knew Porky way back in the early 90's and if Pepper were here he'd be heartbroken for your loss. Before the start of our casino careers we both worked for him at Porky's Pub in Memphis and also ran his dart and shuffleboard tournaments there. I'll never forget new Mama Amanda bringing baby Kody in for us to meet for the first time. Porky was so proud of all his family and both Pepper and I felt special knowing him. Those two shared so much laughter and I know they'll be reminiscing soon. . My love and heart goes out to all of you in losing Porky, but I hope you will be comforted in keeping him alive in your hearts where he is with so many others.*

“ There are no words to really say what a great guy Porky was. he would give somebody the shirt off his back.when we would talk he would tell me about buying and selling and his wisdom has helped me alot.in the younger days 35 years ago he would help me in softball caoching me telling me things in basketball the same things. he didnt have to give up his time for all of that but he did and had no regrets of doing it he seemed to love helping people. and thats how i will always remember Porky as a good kindhearted unselfish man. RIP untill we meet again.
