Thank you Frank. You and Mike go way back from Boise and Sonoco. We had some great times at picnics and Christmas parties get together. So many of the old timers at Boise and Sonoco have passed. Thank you for coming to the funeral I know he would have been honored to know that so many people came. Mike had a big heart and I'm just so lost now without him. Thank you for your post ! Carol

“ *Mike Was like family to me, I loved listening to his stories. He always included me & my family....Mike & Carol were there for me when I lost my husband, he was a great father in law to my son Tj....the 1st time I met Mike was when Tj & Stacy were dating he came to the house and said I just want to meet the family of the guy that was dating his daughter, that's what kind of man he was, he loved & protected his family...it won't be the same without him, but I know he is with Jesus....Mike I will always miss you and will hold a place in my heart for you until we meet again....y heartfelt sympathy is with the family...*

Thank you Sandra....We had some good times at all the family get togethers. You have been a great Mother In law to our Daughter and grandmother to our 3 grandkids . We were very thankful for that. He always enjoy talking to you and yes I remembered that day he just showed up at your house after TJ and Stacy were dating to meet y'all. I don't have to tell you how much he loved our grandchildren and our grandchildren are now left without either of their grandfathers. I know Mike and Thomas are bragging about how beautiful are babies are to each other now . We have to hold on to the memories that they left behind. I love you💕

Thank you Ginger! He always enjoyed talking to you at Regions. He told me you had moved to Horn Lake Branch. We sure missed you at our branch and we always talked about how sweet you were. It was always nice to have that personal connection you always had with us. It meant a lot to be greeted by our name when we visited the bank. Thank you for your kind words.
