“ Oh Jack. Where did the years go? We were friends for 55 years. You are my best friend. Never will I forget the adventures we had. Golf brought us together and remained our common bond. From our trips to Suwanee, TN to Nashville to luka, MS, and to Wilmington, NC a close bond was formed. I don't recall us ever having a crossword. Amazing. I remember once at MTSU that we had been galavanting late at night but got up early the next morning for breakfast and an early golf practice. With a swollen head I remember saying to you, "Jack, a day is coming when we will not be able to do this after such a night as we just had!" Unfortunately, that day did come much too soon. Make us a tee time at the best course in Heaven. I will see you soon. Your friend, Steve Robinson.
