“ I worked with Jim since 2001. I would go to his office every morning to chat. We talked a lot about our daughters. He was so proud of Kelly. Even after I moved to Iowa, the first place I went when I came into the Bank was to his office to catch up. I missed him so much when he retired and I will continue to miss him now.

“ Kelly, I'm a high school classmate of Jim's. I messaged him for his birthday today and didn't get a response which was unusual. I became concerned and not having any family contact info I searched online and found his obituary. I'm shocked. We exchanged New Years wishes via text on 12/31 around 9:30pm and he seemed fine. I'm heartbroken and cannot imagine the grief of losing both of your parents. I would appreciate any information you would be willing to share. Deepest condolences. Ann Davis
