“My Condolences to Edwyna and the Woodys. Jim always had a smile and was able to make others laugh with his great humor. Thanksgivings were always more fun with Jim at the “party”. He really appreciated his family. I’ll remember how well he treated everyone.

With sadness,

I did not know Jim but am blessed to know his daughter, Becky. Jim's life was obviously well lived and his legacy of love for the Lord and his family are clearly evident in Becky's life and the family that will miss him until the circle is complete in heaven once again. God bless you, Edwyna and the entire family. May the good Lord hold you all close and fill your lives with beautiful memories of his love to comfort you thru this difficult time.
