“ We are so sad to hear of Jimmy’s passing. Mom (Aunt Joan) is heartbroken. Remember fun, happy times in Dodge City. Jimmy and Brian were best buds and so cute with their blonde hair. Will always remember his infectious smile! We are sending all our love to all of you. Lisa Phillips Bolmer

“ Dear Aunt Marge and cousins,

*I am so sorry to hear of Jimmy's passing. Even though I hadn't seen Jimmy in many years, I remember him very well, as being so good natured and warm. Growing up in Dodge City, I have so many fond memories of Jimmy and the entire Phillips family (The Newt's or the Marge's as we called you). When Mom, Lisa, Brent, Brian and I are visiting, we remember all of you and laugh at the good times during picnics or remembering various stories (Aunt Marge watching Dark Shadows, eating all that cereal, the tree house and Beverly and Jimmy bouncing of the couch while watching TV, to name just a few). Even though time and distance may have separated us, we loved our cousin Jimmy and all of you very much. Once again, I am so sorry to hear about Jimmy. We will always remember him, Uncle Newt and Karen. Please accept my deepest condolences and know that I will keep Jimmy and all of you in my thoughts and prayers. God Bless.*

“ It is with a heavy heart that I write this. Jim was my point of contact during the several years he worked at Boise Cascade. This allowed us opportunities to get together during several Trex Distributor Meetings. Jim shared many conversations and family photos over the years. He was always looking forward to spending time with you guys.

I often told him that his nieces and nephews were very blessed to have an Uncle that adored and loved them as he did each of you. I pray that you all find peace and comfort in your memories of this special man and may those memories and God's grace be stronger than your sorrow.

Sincere regards,

Kimberley Sanford
