“ Please know that we are praying for JW s family. We are so very sorry for your loss . JW meant so much to us , we met JW and Elaine at waterway rv park in Cedar Point NC and we all just loved them. JW helped everyone in the park with most any type of construction or household problem . He was a jack of all trades ! But above all he loved to fish ! He was my best fishing buddy and taught me so much . Didnt matter how rough or what kind of weather, he was ready to go fishing ! Several of my family members knew and loved him , we hardly ever get together without someone telling stories about JW ! We will miss him but we will rejoice knowing he is in Heaven !
