“ My precious son Jason is the love of our life. He told us often how blessed he was to have a family that loved him so much. He would say " you are the best mama in the word." I love you so much. I would tell him how much I loved him. I would say you are my boy and he would say yep. He would say " I love it when you are in here with me , I would say I do too. We watched movies or just hugged up .He is gone to heaven now and no more pain. I am thankful to God for that. My heart is so broken. I have never known such pain. He is forever in my heart and thoughts. Rest now Jason until we see each other again my precious son. I love you beyond imagination, xoxoxo
