“ I remember he so well when we were at Labelle Haven and he was such a sweet man. I truly hate to hear of the loss but rejoice with you that he is with Jesus. Maybe to lighten the mood I could just remind you of the time that we had the plays and you and Heath both were in the hospital scene. It was so much fun and I remember that great big smile he had while we were doing it all. God bless you Mindy I pray that you and the kids are OK and that y'all do the rejoicing this week. I love you girl.

“ Heath you were the closest I ever came to having a good friend . I remember all the times at the batting cage with you showing me how to point and plant my feet and when to hit . I'm still lousy at sports . But you took time with me and never grew impatient . It was a complete honor to know you and Mindy . You will be missed . Forever your friend.
