“ Sure will miss Brother. I have many fond memories of when we were Neighbors at USM as well as High School days when he came to PG. He was so much fun to be with and he always had a funny story to tell. I wish the family comfort at this time.

“ Jeff and I were in the same graduating class from Jefferson High
School in 1959. Because of the size of our class, we were all very
close to each other. Jeff and I started the 1st grade together and
finished the 12th together. He is in God's hands now.
