“ I loved the conversations I had with Barton about his trips out West. I was born and raised in New Mexico and spent countless days in Colorado where he had traveled to often. I enjoyed reminiscing with him while the kids ran around at birthday parties. I didn't know Barton for very long but I will miss him and our conversations. He was a great guy and I am glad I got to know him.

“ We are so very heartbroken. We have lost our best friend. Barton was truly a great man, friend, husband and father. We have been best friends for over 33 years. We've raised our babies together, taken vacations together, gone through everything together, happy and sad times. We've hiked the mountains and swam in the sea together. Barton, Connie, & Shelby are family to us and we are here for them always. Our kids always called him Uncle Barton when talking about him. Barton was truly the brother George never had. Love you so much. Praying for strength and peace for Connie Ligon, Shelby & Jeremy Erickson, family, and friends. God bless. Love you all so much.
