“ I am so sorry for your loss. John Wesley was in my kindergarten class. I know you aren't suppose to have favorites, but he was definitely one of mine. He was very mischievous. He could get away with anything with that beautiful smile of his. He was such a sweetheart. ”

“ *Robin and George there is only great memories of John and Josh as they lived next door to each other and played ball together. We will forever remember his awesome smile and his dimples. My best memories is when josh came home wanting a “camp bell” thermos like John Wesley’s and when I called you about it, it was just a Campbell soup thermos! We still laugh about it! Love you both ❤️*

“*Robin (George), just want you to know Lois and I have your family in ours thoughts and prayers. I see you busy posting pics- not surprising because you could always see how much love you and George had for John Wesley when the boys were young and playing ball. I know that was a constant for him. I pray for blessings, peace and comfort.*

“ Robin (George & Landry), I was very shocked and My heart was crushed when I ran across the news of John Wesley's passing on my facebook feed. My heart is grieving for you all. I have been praying for the Lord Jesus to wrap you all in His loving arms and give you the peace and comfort that only He can and for God to sustain you and carry you through this time and in the days ahead. I am so truly sorry for your loss. I don't even have the words to adequately express how sorry I am and how my heart aches for you. I know we lost touch several years ago, but please I know how much I cherished our years of friendship and how I have missed you and have thought of you often. Please also know that I am here if you need anything, anything at all. Sincerely, Wendy Farris
