“ I had the pleasure of working for John at Xerox in East Rochester Skunkworks. He was my boss, my mentor, my friend! He inspired me to get into Sales--similar to his career path at Xerox.

Over the years, John was always a mentor to me! He is in my thoughts and prayers! My sympathy goes out to Marlene and John, Jr. I know how much he appreciated your continued love and devotion!

Very sorry about John's passing Marlene. Just want to say what a great time that we had in East Rochester, especially the hearts games. It was a very special place for anyone who worked there and John was a major part of it. I have lots of fond memories of playing cards, fishing and working with John.
