“Joyce was a very special friend. Such a sweet beautiful lady and I will miss the texts and talks that we had. She loved to talk about her son, grandchildren and her sister that would visit from Florida. Joyce loved Mel and they were always happy together.

She loved her family and I know that it broke her heart to leave them. The good Lord called her home and I'm happy that she is in heaven and no longer suffering. 🌹❤️

Mel I'm praying for you & her family as you go through this difficult time. I hope her beautiful smile & the precious memories that you made together will help you through the difficult days.

May God bless you all.
