“Joyce was a very unique person. She spoke her mind and said it like it was which is the best way. She was a very kind and caring person but gave you a swift kick if you needed it. I’m thankful to have known her. She and Warren were a perfect couple complimenting each other’s personalities. They loved their family and were good to their friends. If I needed help with something she would have been my go to person. Rest In Peace dear friend. Organize that place before I get there. With love and prayers, Judy and Howard Schilling.
