My children loved Mrs. Bullock. My son Jesus entered her class for the first time at Barbara Walker Elem. She enjoyed him so much, she wanted to take all my children on as her students after that. So when she met my second child Juliet at Jesus's class party one day she said she would teach Juliet too. When Juliet entered Kinder, she kept her word and knocked on our door to share the news. Then Mrs. Bullock left as a Kinder teacher to be a 1st grade teacher. She knocked on our door again the following year. She took Juliet with her again. Then she met JJ our third son and said she would take him too when his time came.... He was a newborn at that time... lol She was a wonderful person and teacher.
