“ Kathy and I were good friends through the soccer team community in Memphis. We made several trips together to Dallas, St. Louis, Louisville and Chicago. Kathy always made me laugh! She had a great sense of humor and laugh! She was to be a bridesmaid in my wedding but the date conflicted with a work commitment for her job. We both eventually moved to Olive Branch and I got in touch with her through social media. We did not get to have a reunion due to her being so busy. I am shocked and will always think of her as the fun loving person that was a pleasure to be around. I send condolences to her sister Jody. May Kathy rest in peace.

“ We were saddened today at the YMCA hearing of our friend Kathryn’s passing. She was our little greeter , always welcoming people to the class. She talked fondly of her Wednesday afternoon lunch group. Our prayers for her sister Jo.

“ My heart, thought and prayers go out to her sister and family. Kathy and I were "almost" neighbors growing up, but we were friends for a long time. She was a beautiful and classy lady whose love for cats and flamingos is beyond compare. She was a happy human whose glass was always half full. Her life was full of adventure, and she embraced every moment. Our greeting for each other every time we talked was "Where the hell have you been?". And then we would laugh, talk and catch up on life. Until we meet again.
