

## Keith Knight

May 9, 1975 - June 10, 2021

Coleman Funeral Home of Oxford

Keith Knight, 46, passed away Thursday, June 10, 2021, in Oxford, MS. A memorial visitation will be held Wednesday, June 16, 2021, from 5:00 p.m. to 7:00 p.m. at Coleman Funeral Home of Oxford. Coleman Funeral Home of Oxford is in charge of arrangements.

Keith is described by his family as being loving, kind, confident, and brave. He was a true friend to so many people, people he dearly loved and cherished. He was always helping and encouraging others, giving them advice, never judging them. He was always there for you no matter the circumstances; and whatever was going on in his life, he would put it on hold to help you. He tried to be and to do everything for everybody. His heart was so big and his hospitality was genuine.

Not only did Keith have a big heart, but the way his mind worked, fascinated everyone. He could literally figure out and do anything that he set his mind to. There wasn't anything that he couldn't do. He was a true genius.

Keith also loved to have fun. Whether it be going to Tom Petty's last concert tour, talking about it months after; or traveling to the Grand Canyon and Chicago, He always had fun. One memory includes him getting out on a

dance floor surrounded by people he didn't know. That didn't stop him from stealing the floor and having a blast.

Keith's love for everyone was astounding, but his love for Drake was unconditional. He loved being with Drake, showing him everything that he possibly could and teaching him. So many memories were shared between the two.

Keith is survived by his son, Drake Knight, of Tulsa, OK; his mother, Bonnie Knight, of Mathiston, MS; and his brother, Aubrey Knight, of Mathiston, MS.

Keith was preceded in death by his father, Kevin "Sarge" Knight.

Please leave online condolences on the Tribute Wall at [www.colemanfuneralhome.com](http://www.colemanfuneralhome.com).

“ Keith was a master of many trades. Whether it was drawing blood or computers and IT, he knew it all. We had so many good conversations over the years. It was always fun to call him up and ask him questions or for help. I will always remember working with him. I will always remember his smile and laugh. He will be truly missed by so many.

“ Keith came to work for us at Quitman County Ambulance Service a few years ago. He was an awesome EMT and a wonderful friend to those who knew him here. His passing was such a shock and hard to believe he's gone so soon. Our prayers and hearts are with the family in their time of sorrow. Quitman County Ambulance Service and staff.
