“ So sorry to hear this about Kenny. I will always have a memory of when I bought all of Kenny's goats a few years ago. It was the first time I had ever backed a trailer up to a barn. I asked Kenny to do it, but he insisted I do it and it was a good feeling when I did it. I will never forget it. Kenny was a good person.

“ My family moved to Oxford in the winter of 1980. We found the heating unit broken on Christmas Eve night. Kenny came out and repaired it. I don't know that too many are that willing to help now days. I will miss him as a trusted repairman in a field that requires unique and special skills. I will miss him as a friend that was always able to spare a few minutes to talk. Rest in Peace. William Shankle
