

Krissa Lynn Bowers

November 15, 1996 - October 26, 2023

Coleman Funeral Home Olive Branch

Krissa Lynn Bowers, 26, of Byhalia, MS, passed away at Methodist Hospital Olive Branch. Friends are invited to a visitation with the family on Saturday, November 11, 2023 from 3:00 p.m. until 5:00 p.m. and to a Celebration of Life that will follow at 5:00 p.m., all at Coleman Funeral Home of Olive Branch.

Krissa was born on November 15, 1996 in Mount Vernon, OH. She received her Bachelor's in Nursing from Freed-Hardeman University in Henderson, TN, and went on to work as a travel nurse. She loved her job because she loved to help people, even if it meant letting them know the hard truth. Krissa's style was very Boho; she loved owls, mushrooms, and took every opportunity she could to travel. She appreciated good art and loved anything that was just a little bit strange and unusual. Krissa especially loved her cats, Dobby and Munchkin, and treated them as her children. Krissa will be loved and missed by so many.

Krissa is survived by her husband, Tanner Bowers of Byhalia, MS; parents, Lisa Michelle Paulk and Clifford "Jake" Paulk of Goodwater, AL; brothers, Braden Burghard of Wadley, AL, Christopher Paulk, C.J. Paulk, Collin Paulk and Cyril Paulk of Marysville, WA; grandparents, Barbara and Gary Rosendahl of Ashland, AL; aunt, Patti Burke of Hanover, PA; uncles, Gary

“Fredford” Rosendahl of Atlanta, GA, John (Pam) Rosendahl of Gig Harbor, WA, and Bill Rosendahl of San Diego, CA.

John 15:13: Greater love has no one than this, than to lay down one's life for his friends.

By Krissa's choice to donate, she has extended her love not only for friends, but also strangers.

In lieu of traditional flowers, donations may be made in her name to Le Bonheur Children's Hospital (www.lebonheur.org).

Online condolences may be made on her tribute wall at www.colemanfuneralhome.com

“ I never had the pleasure to meet Krissa in person, but we spoke over the phone frequently. Krissa would send me "Good Morning!" and "Happy Friday!" messages every day. Sometimes we would get on the phone and chat for a while about different interesting cases we had. Although, I never got to meet Krissa in person her kindness and bubbly positive personality came through the phone so strong and she brightened every day that I had an opportunity to speak with her. I could easily tell that Krissa was an exceptional nurse and an exceptional person! My heart and prayers go out to all of her friends and family.

“ Krissa was one of my favorite people that I met while working at Fast Pace. We traveled together as the floats and had many fun times together. She was hilarious and I will miss her so much. Ryan and I looked at her as one of our kids and loved her dearly. Tanner please reach out to us if you need anything and we are so very sorry for your loss.

“ *I remember how beautiful we thought Krissa was when Dave, MeLynda, and I met her. She was very smart, funny, and that smile! She saw Tanner, who is our nephew, at our son's wedding, and she told me she was going to exchange phone numbers with him. She and he kept staring at each other and looked away when they thought they locked eyes. They were both smitten. They were perfect for each other, both so intelligent and driven. Tanner, no words can be said that would be able to describe how our hearts ache for you. Know that she is in Paradise, in the arms of the Lord, and you will see her again. We are here for you, we love you, and we hope to see you soon. Although we are unable to attend the service, please know that our thoughts and prayers are with you now and always. Krissa, we will see you again. We love you, honey.*

“ *Tanner, I am saddened by the loss of your precious wife. I remember meeting her years ago when you were visiting in Virginia, before you were married . I only got to say a few words that day, but I remember Your smiling faces, and I was so glad to see you happy. ..Krissa and you were God's gift to each other. Hold on to the memories as you continue on in life. God will provide you with peace and comfort. Keep the faith. Love you very much.*

“ *I am heartbroken. Spoke to Krissa everyday about new and exciting adventures she had at work. Each call was a different issue and problem that we worked together to solve. She did her job well, was so kind and a top-notch Nurse. Always willing to help others and take on tasks to learn from. Even though working from afar, I am blessed to have gotten to meet her in person earlier this year. The registered nurse that I knew had no limits. She truly now is limitless, and may she look down and watch over her family and friends with the continued kindness and compassion I always heard in her voice on the phone " Hi Bill, it's Krissa"*
Forever missed,

“ Krissa was my first and only granddaughter. I can remember, the day her mother, Lisa, bringing her home from the hospital and putting her in my arms, it was love at first sight. Krissa and I had 26 almost 27 years of great times. I cannot remember a time when we didn't have a good time, whether it be traveling down to Sydney, Australia, moving from Ohio to Tennessee, riding the mule around my place in Alabama, teaching her to swim in our pool or just hanging out having a coffee or a glass of wine. I remember when she met Tanner, her husband, she told me that she was going to marry him and wanted my approval, I knew Tanner, and told Krissa, you will not find a better man than Tanner.. I cannot remember a time when Krissa was happier than what she was being married to Tanner. Her quick wit and her sense of humor always made me smile. I will always love her and keep her close to my heart. Godspeed Krissa.

“ *Krissa was truly a breath of fresh air when she joined the Advantis team. She was very "go with the flow" when it came to anything job related. She was always so kind and friendly. Her happiness radiated through the phone. When having a conversation with her, you couldn't help but become more cheerful. We were honored to present her with a certificate from GM recognizing all of her hard work at the client site. She was so deserving of that and much more. Krissa has left such a void with all who had the pleasure of working with her. She will truly be missed.*
