“ From another classmate of the 65 class, whom most of us were together all twelve years, you will be missed, as well as the others who have gone on before us. Also, a class mate who served in Nam before me, your service to our country is greatly appreciated. To Larry's family, keep him in your hearts, as I know you will; remember especially the good times and remember he is now in a place where there is no suffering and pain. God Bless.

“ *Larry, you your were a blessing to our class of "65". We are getting smaller but our love for each other remains strong. The memories from school and all the years after are with us. Olive Branch has lost another man that has been a part of not only his family but a part of children and friends all over town. He served our country with honor and helped make this community better by setting an example of loving his friends as family.*
