“ *Andy was a very close friend. I also worked with him when we were employed by Burlingtokn Industries Transportation which operated a trucking terminal in Memphis where Andy served as Assistant Terminal Manager. Praise God I am personally blessed that I was able to cross paths with both he and Nell while we have lived in this life. I know he is now in a much better place! May God bless his loved ones during their time of bereavement. ---Jim Hogsett Worker Ministries in Elon, North Carolina*

“ Andy was my next door neighbor for many years and was a great mentor to my sons. Truly a blessing to me and my family. Always with a big smile and a kind word. Loved his wife dearly and his community, church and Lord. A great example of what a Godly man is supposed to be. Gentle, Kind, Gracious. Charitable,
