

Mrs. Leigh Margaret Leggett

July 29, 1982 - October 27, 2022

Coleman Funeral Home of Southaven

Mrs. Leigh Margaret Leggett, 40, passed away October 27, 2022, in Horn Lake, MS. Coleman Funeral Home of Southaven is in charge of arrangements.

Leigh was born July 29, 1982 in Memphis, TN. Leigh was known for her caring heart. She loved animals her whole life, and enjoyed taking care of her horses when she was a child. When she became older, she used her caring spirit in her career in childcare, and later at an animal hospital. Her most important role in life, however, was being a mother. She was the most loving mother to her three children who are notorious of faking “boo-boo’s” just for Leigh to love on them. She was also a loving and attentive wife to the love of her life of five years, James, who she recently wed in May of this year. Although Leigh was loving and caring, she was also strong-willed. She is remembered as a firecracker, and her strong spirit will live on through all who loved her.

Mrs. Leigh Margaret Leggett is survived by her husband, James Kelly of Horn Lake, MS; her daughters, Skylar Jones of Buckeye, AZ and Loxley Lane Kelly of Horn Lake; her son, Hayden James William Kelly of Horn Lake; her grandmother, “Nana” Leggett of Memphis, TN; and her cousin, Bree Casey

Cameron of Pennsylvania.

Leigh was preceded in death by her father, William Leggett; and her mother, Vickie Leggett.

Online condolences may be left on her Tribute Wall at www.colemanfuneralhome.com.
