“ We are so sorry to hear about Leon. Peggy I will always remember how good both you and he were to me when you lived in Columbia. I have many good memories of hanging out at your house in Coldstream with Michelle while Leon grilled outside and you made " brown beans ". I wish all of you strength and comfort as you go through this very difficult time. With sympathy and love, Lynn, Rodney and the boys.

“ I went to high school with Leon. And we both worked, after school, at Montesi Grocery. He was always smiling. A great friend to all. My deepest sympathy to the family. He will meet us all at "The Gate". He was just that kind of guy.

“ *Leon will surely be missed by Firefighters all across the State of Ms. He has taken care of SCBA and Cascade systems for as long as I have known him. Leon took his work seriously, just as if he had to suit up and use everything he serviced in an emergency. We have certainly appreciated Leon Curtis and all he has for our department here in Petal. He and Ms Peggy seem like family to me, as I am sure they do to every person they come into contact with. You will surely be missed Old Buddy, you have fought the good fight and kept the faith. Our thoughts and prayers are with Ms Peggy and her family. Thank you for all you have done for us. (Joe Hendry on behalf of Petal Fire Department)*

“ In life we meet a lot of folks in passing and then if we are lucky we meet a fellow like Leon. He taught me to stand up for what I believed in and to not be afraid to take on life's challenges. And when those challenges that seemed to so difficult to handle happen, Leon (and Peggy) was one of the Best of helping me move forward - helping me to understand that stuff is going to happen but we need to face it head on and move forward.

He was a solid friend and I already miss him as I'm sure all of us will forever. But, he would have encourage each one of us to stay strong! When I think of words big helping heart, strength and encouragement, I will always think of my friend Leon Curtis.
