“ One of many favorite memories with Lillie Mae, is of camping with Jimmy and Buddy at Sardis, MS. If you know Jimmy and Buddy you know they are pranksters. They were fishing including Mae and not have much luck. So they decided to go frog gigging (not Mae) so when they managed to spear a few frogs they commence to cut the hond legs off and throw the frogs back in the water. MAE told Jimmy and Buddy that it was cruel to do that. They both just smiled at her and said now Mae we didn't harm them. They will grow new legs. When I dolt her that it wasn't so that the other fish would eat them she started slapping at them and said she would never believe them again. We love her and will greatly miss her. She will always hold a special spot in our hearts. Until we meet again in heaven you will be gone but not forgotten.
