

## Linda Brady

January 12, 1960 - June 18, 2022

Coleman Funeral Home of Oxford

Linda Gail Brady, 62, passed away at her home with her family by her side on Saturday, June 18, 2022. A memorial visitation will be held Thursday, June 23, 2022, from 2:00 p.m. to 3:00 p.m., with a memorial service immediately following at 3:00 p.m., all at Coleman Funeral Home of Oxford. Coleman Funeral Home of Oxford is in charge of arrangements.

Linda was born to Jessie McCrory in Clarksdale, MS, on January 12, 1960. Linda married John Brady in 1982 and, together, they raised two amazing children. Linda began her career in healthcare at Delta Manor in Clarksdale, beginning in an entry level position and working her way up to Administrator of the facility. In 2011, Linda was promoted to Regional Director for Preferred Care and became responsible for four facilities in Mississippi and one in Florida. She devoted her life to caring for those that could not care for themselves. Her clients and colleagues were an extension of her family.

In 2011, John and Linda began a new chapter with the move to Oxford, MS, where they could be closer to their children and grandchildren. She was dedicated to playing a special role in the lives of her family. Linda loved all things that involved remodeling, taking on “do it yourself” tasks, and HGTV. She spent her time working on home projects with John. She also enjoyed

reading, taking care of her beloved Yorkies, shopping, and tracking down a good Lemon Drop Martini. Her favorite holiday was Halloween, and she will be remembered for her elaborate costumes and decorations. Halloween has truly lost one of its biggest fans.

Linda was a humorous, loyal soul who left a huge impact on the lives of those who loved her. She is survived by her husband, John Brady, of Oxford; her children, Joni Barrett and Adam Brady, both of Oxford; and her grandchildren, Gracie Barrett and Aniston Barrett.

In lieu of traditional flowers, donations can be made to St. Jude Children's Research Hospital (<https://bit.ly/3ObBFec>).

Please leave online condolences to her Tribute Wall at [www.colemanfuneralhome.com](http://www.colemanfuneralhome.com).

“ Linda is one of the few people I remember from my first trips to Mississippi as a child. She was so inviting and loving even when her mother was in the hospital when I was about 9 and invited me over to see Babe the dog. I'm so glad I got to visit with you all when I was training down there in 2014 and wish I could've stayed longer. She was truly a wonderful person and surrounded herself with the same. Sending my love to the rest of the family, Michelle Force (Taylor)

“ I will always remember Linda as a loving Daughter and a Mother that adored her Children and as a loving wife to John. She was my second cousin but we grew up as first cousins. I always hoped to reconnect with her one day and it just never happened. My Prayers and thoughts are with her family. Goodbye dear cousin until we do meet again. Love always you cousin Becky!

“ There's not one time I remember seeing Linda that she was not smiling. Linda's laughter and smile lit up a room when she entered. Her voice on the phone always lightened the mood, even if she was calling with an issue with one of the buildings she was over. She was dear to my heart and I will miss her terribly.

“ Linda and I worked together for many many years at Preferred Care. We would see each other at meetings and occasionally would talk on the phone. In the last couple years she and I became more familiar with each other because I was directly involved with her region. I always found Linda to be very knowledgeable in her position and in state regulations related to ICF communities. We spoke frequently and had calls weekly. I enjoyed talking with her and sharing “war” stories! And, we were all aware of her love for Halloween!! The planning and preparation she would go to would start way in advance and we all shared in her enthusiasm if for no other reason than the sheer excitement in her voice when she talked about it. I considered her a friend and she will be sorely missed. R.I.P Mrs. Brady

I will miss my coworker and friend. We laughed a lot and shared a lot. She taught me things I didn't know. We shared things we never told a living sole. We enjoyed making each other laugh, she enjoyed telling everyone on the plane, yes we have a nurse right here. There will never be another. Hopefully we will see each other again someday. My heart is broken. RIP my friend.

“ *I don't know how long I have known Linda, but it's a very long time. I knew her for sure when I went to work at Preferred Care in 2001. By then, Linda was the administrator at Delta Manor. When I visited the facility, I could see how well loved she was by everyone, especially the residents. Linda will always be special to me as she saved my life one time when I got choked. I'm sure heaven is a brighter place since Linda arrived! Linda, you will be missed and never forgotten. I am glad you are healed. I will see you again some day,*

“ *Dear Brady family, I only know Linda through Adam's total and complete love for her. And for the best Halloween pictures I've ever seen. Adam's devotion to his mother's care has been a total inspiration to me and his colleagues at Ole Miss. We love you, Adam, and are keeping you and your loved one in our constant thoughts and prayers. “ Linda, along with the some of Preferred Care's best administrators were chosen to be a part of a leadership council to assist the corporation in developing programs to enrich the lives of many requiring long-term care as well as the employees directly caring for them. Linda took that position very seriously and contributed to many of the ideas that still play a role in some way throughout dozens of facilities. Thank you Linda for your tireless efforts in lifting those up that were otherwise down. You are missed!

“ I worked as Linda Brady's consulting dietitian for many years and truly enjoyed my time working with her from the first day i arrived in the Delta Manor facility. Linda made me feel welcome and always made time for me and for us to go to a restaurant there in Clarksdale that not only had good food but wonderful chocolate pies that were homemade. Because she would want to go to lunch early, the pies were usually just coming out of the oven, but we didn't care; we would eat the pie hot because we loved the pies so much. One of my associates has been working the Delta Manor account for a lot of years and I've asked her about Linda and how she was doing and have been sad ever since I was told of her illness. I loved working with her, she was always laughing and happy. she will truly be missed but I'm happy she is no longer in pain. My sincerest sympathy and prayers to her family.
