“ Linda was our neighbor and friend. Even though we've only lived beside her for one year, we quickly connected and enjoyed our 'outside' conversations as we enjoyed our backyards. She told me how she enjoyed building houses with her son and appreciated her other son mowing the yard for her. We shared a love for music and had planned on playing piano together after I retired this year. We also had teaching in common and shared our experiences. I will miss our conversations. May God give you, her family, the strength and comfort you will need in days ahead.

*Sincerely,*

*Vicki & Steve Maddox*
