“ *Kellye,
You will remain a part of my soul and heart. All the conversations we have shared are treasures. Our friendship started in 1975, and it has never stopped. You always had a way of bringing the best out of me, and the same with everyone that knew you. We just spoke a few weeks ago, and I can't believe you're not with us anymore. So happy I have memories of our chats, and I will continue to review them and keep you close.
To the family, my deepest condolences. Our hearts weep with you. May her Angelic wings brush your face, and warm your heart forever.
Sincerely
Dennis M. Bowden*
