“ I have so many wonderful memories to hold on to. Lisa was, in some ways, a big sister to me - always there no matter what.

One of our absolute best times - which we just talked about last week - involved lots of Easter Eggs. Neither of us were big drinkers, but we shared 2 bottles of wine and dyed THE most beautiful eggs in the history of Easter eggs!!!

We got up the next morning. Groggy, fuzzy headed and in need of coffee.

At the same time, we said “The eggs!”

We got them out of the fridge (2 dozen) and remembering how pretty they were last night, we were like excited kids!!

Let me tell y'all...those eggs - I've never seen any like them to this day.

They were THE most hideous looking Easter eggs in the history of Easter eggs!!

💔 I will miss you so much, Lisa. Forever in my heart.
