“ I am so saddened to learn of the passing of Lon. He always brightened my day. Such an amazingly positive attitude. He told me every time I saw him that his favorite song was “When We All Get to Heaven”. I can just hear him singing it now. Prayers for your family’s loss. He is a precious precious soul and I know he is SO glad to be reunited with his parents as he talked all the time about how great they were.

“ When I was younger and would visit my grandparents I would always talk to Lon about every other day during my visit. He was such a gentle soul and I know he loved Jesus with all his heart. He will be missed but I know he is safe in heaven and we all will see him again! God bless us all until then!
