“ My precious Brother-n-love. What a precious soul. I believe he helped carry the burden of my grief after losing Johnny. Our lives will never be as full. Tina called him her “sub” because when Johnny wasn’t here she relied on him as a father. We have been family since we were just kids. I have never seen a bond stronger than these siblings. Johnny Lonny and Donna. Violet Harold and myself were blessed to be part of it. There have been good times. There have been hard times but through all times that bond had only strengthened. Us girls are now waiting to join these great men for a joyous reunion. My love to this family of mine and all the ones feeling this great loss. ❤️❤️🙏🙏
