“ Robbie was my mentor. He was the man at the top of our field. Robbie knew more about SR_71 and U-2 operations than any man in the field. Robbie has a wonderful family and Jeanne and I always felt welcome with them. I could go on forever but we have lost a man that the hole can never be filled. He was my best buddy and I'll never ever forget him. RIP my friend.

“ I'm so sorry for your loss. Mr. Robbie was always so nice to me at church along with his wife, Bettie. Mr. Robbie will certainly be missed, but I know that the God of hope is not yet done with this family. Mr. Robbie's legacy will continue to live on. Thanks for a life well lived Mr. Robbie! God go with you!

I had the privilege of working with Loomis, while a member of the 4080th SW. Then S/SGT Robertson was a great example for us younger airman. What I remember best is what a truly decent man he was. God speed Robbie. Gene Stoddard, Schenectady, NY.
