“ Lynda, my cheerleader buddy! On several occasions we would eat in the campus cafe before or after practice. In line up, we were either beside or in front of each other. KC cheerleaders were considered the most spirited and talented squad in the SWAC! I'd like to think Lynda added her speciality to our routines. She was such a joyful and encouraging person.

To the family, my deepest condolences for she is missed by so many of us but remembering with a smile how she danced into our lives and will continue to dance until we meet again.
Be encouraged!
