“ Sims Family... I am so sorry to hear about Marie's passing. I lived in Oxford for 9 years and she cut my hair many times. She was a sweet and wonderful person. I really loved her and hated to hear about her passing. RIP dear Marie. --Patty Smith (Hale)

“ I am so sorry for the death of Marie...even though I haven't seen her in awhile, I considered her a friend, for a long time. May God wrap you all in His loving arms and give you peace.

Marie was a good and beloved friend at Murrah. Our little bunch was together all the time it seems. It is my loss that I did not stay in touch with her but little.

“ Marie was and is what I considered almost a second mother. Ashby and I spent more time then I can count laughing at Freddie and being laughed at by Marie. It is hard to lose someone that is so important to me not only as a 'family' member but very much a role model in how you act with and treat others. Ashby, Brent, Freddie, I know nothing I can say can make you feel better or complete at a time like this, but please know I love her and will miss her in person. I do have some wonderful memories and will ALWAYS remember her smile, her laugh, and her willingness to take any stray child or dog that just happened to be walking in the door. Love from Texas and please let me or Mary know if there is anything we can do...
