“ I knew Marilyn since I was 14. She use to take Linda, Sharon & me to her house to stay the night when we were teenagers. We also shared a grand daughter Alexis. She will forever be in my heart.

“ I have always thought of Marilyn as a sister, not sister-in-law. I love her so much and will miss her beyond words. I have known Marilyn since I was a little girl so she has always been in my life. I remember so many times how she would make me laugh so hard. She had the best personality of anyone I have ever known. I remember going dancing with Marilyn and Phyllis and Marilyn never left the dance floor. She loved to dance and just have fun. She loved being with her friends laughing but most of all, she loved with all her heart her husband, children and grandchildren. They were her heart and soul. I will miss her dearly but I would like to think she is in Heaven now with Doug and Raney, her Dad and brother. I love you!!
