“ *I remember mark waking wheelies all the way down Bishops Bridge past the park and out of sight. Truly a sight to behold! I last saw you at Limp Bizkit and System of a Down, it was the last concert I attended at the coliseum! It was heart warming to see your smile again and Brads too*

“ *The winningham family was my neighbor they were like family to me on weekends I'd be laying in my bed in the summer Mark had one of those plastic motorcycle looking things you could ride I forgot what they're called but they made a lot of noise when they would go down the sidewalk and I will hear him every morning and I'd say well Mark's up and to this day sometimes I can hear him riding that plastic motorcycle down the sidewalk*
