“ *Mary was one of my best SBEC friends. We met in 5th grade, and I knew we would be good friends when she put her arm on my head and called me her "human arm rest". She left SBEC for a while, but came back in high school, and it was like nothing had changed (we even lived across the street from each other). She was so talented in so many areas. It's so hard to imagine that she's gone, but her radiant spirit will always live on. Rest in Peace, sweet friend!* ”

“ *She was so much more than a colleague. She was a friend. A friend that would be there when you needed one most. The lives of those who knew her will seem a little less bright without her in them, myself included. I wish and pray for strength and comfort for those she leaves behind. Good bye, Mary. Thank you so much.*

“ Mary was always such a joy to work with. Her happy soul and positive outlook on life made work much more enjoyable. She was always hard-working and had a great sense of humor. It was apparent that she loved her family because there was hardly a conversation where they went unmentioned. My thoughts and prayers go out to her family. She will be missed by many. God Bless!

“ She was my boss for a brief time, but more important, she became a friend. May God shine his light upon your family and welcome you into His loving arms. God Bless you Mary.
