“ Hi Joe, wish Bill & I could be at the Memorial service for Mary Jo. I've missed so many things that happen for my friends & classmates because I live so far away. I never met Mary Jo again after we graduated college. Mary Jo, you and I and my then husband, Richard, would be up at your mom & dad's while home from college playing games & cards. Always had fun with the 2 of you. You have been the most wonderful and devoted husband to her.

*Bill & I send our love and sympathy to you and your family,
Elizabeth*

Joe, I just finished watching the video you made of Mary Jo. What a good Mother she was. Mark looks so much like you. Thanks for sending it to all who knew her. Even though she was sick a good bit of your marriage, seems like you two traveled a lot, had lots of experiences and had a good life. Know Mark has found memories of his Mother.

Loved seeing your wedding pictures and one other that showed the 2 of you when you were young and looked the way I remember you. Feel like I know her a little bit better now that I've seen the video. I will watch it again. Hope we'll have a class reunion soon so we can see each other before it's too late. I'll be thinking of you at the Memorial Service and wishing I could be there.

I send my love to you and Mark.
