Michael was a dear friend since I was 12 years old. My husband and I are now in our 60s. He was one of those people, you were honored to call a friend. He was one of the kindest people you could have ever known. A real heart of gold. We will miss you so much, dear friend. Our heart's go out to his wife and family during this very hard time. Michael you will never be forgotten. You take the love with you.
