“ I have known Michelle it seems like forever!! There were years when we were almost joined at the hip, if you saw one of us then you saw both of us. I have so many great memories with you and I would like to thank you for staying up late with me chatting and giggling all night like girls do, going to my first concert, piercing my ears, doing my big hair, making me laugh all the time, and being a shoulder to cry on when I needed it. I am so lucky that I had you in my life. You were one of the toughest ladies I knew and you had the sweetest soul. Watch over us sweet girl! Heaven just got an amazing angel!

Lori Wilson Remscheid - August 09, 2015 at 12:46 PM

“ John, Steffani, Rachael, and Ashley Person- Dear Larry, Wanda, and Hunter, Our hearts are deeply saddened. We will always remember the times when our girls were young and played together. Michelle was always so kind and patient with them, even though they were younger and probably got on her nerves. We will always remember Michelle as being beautiful, bright, and talented. For us, and I know for so many, she will not be remembered as someone we lost, but someone who was a blessing. We love you. God Bless Michelle!

“ *The world was not ready for a heart such as hers. Too kind and too beautiful for a world such as this. She was quite accomplished by all standards but I doubt that she realized how much so. We had plans for art and business. I wish we had more time. A big piece of me is missing. Good night Angelfire.*

“ *Ill miss you so much Shi-Shi </3 i am not sure what to say, i just know that you were my first friend in the US. You were up and ready to get on a 48 hour road trip at 6 am ... You were there for me and even put people in place fr me. You were just as wild as me and i still can not understand or put sense to this. I so wish i could laugh with you and hug you one more time. I wish i didnt have to move away, i wish that i could have done more to help, Shiloh. I love you and miss you forevermore.*

“ Ive known Michelle since we were 18yrs old. We were dating a couple of best friends and bonded quickly. We moved in next door to each other and even decorated our apartments alike. We came to my wedding and we were pregnant at the same time, which was a scary time for both of us. We lost touch a few years ago but she had recently found me on FB, and we were starting to catch up. I, like the rest of those who loved her, did not see this coming and am heartbroken. My prayers are with you Wanda, Larry and Hunter. Be strong.
