“ I met Millie online years ago and we developed a friendship. We shared recipes and gardening tips. She had an amazing sense of humor and was a brilliant person. We cracked jokes. One day we just fell out of touch and I wanted to see if perhaps she'd made a tiktok account because, well it's the perfect platform for someone who likes gardening and jokes, So I looked her up to see if a page would pop up, and found this. I'm sorry for her family and friends who knew her in person. She had a large online family who she meant a lot to, and I want you all to know how special we thought she was .

“ *Millie lived around the block from me as a child. We spent many years playing in the neighborhood, sleepovers, pool parties & hanging out. We graduated from high school together. I am so sorry to hear of her passing and for your loss. I pray God gives you strength and peace during this time. May we all keep our memories of Millie close in our hearts.*

“ I knew her when we were in elementary school. Spent quite a bit of time with her but life happens and we grew apart. If anyone asks how I would remember her, it would be as a kind soul, always happy. There are no words that I could say to her family to take their pain. I will never forget her and am lucky to have known her. Her family are in my blessings.
