“ *I'm so glad that you were in Christie's life and you and she found each other just when she needed you most. We had some good times back in the day but we all had our share of struggles, as well. You were a good man and I know how much she loved you, Ray. Rest in peace and just know how strong Chris is and that she will always have the love of her friends and family to get her through this difficult time.*
