Nick was a good friend and the times we spent on trips and going places was always fun. He was always quick with a joke or something to help lighten the mood or make everyone smile.

“ Dear Kim
My thought and prayers are with you always and with the whole family.
I have wanted to contact our often but my situation at home is the same and someday I will be able to explain.
But I just had to let you know I have never forgotten you or put away the Bible verses you gave me to help. I trust you will learn on those same verses now.
I am so sorry you and your family are going through this.
Remember you are loved

“ Nick was my best friend growing up. We spent many a weekend together in our teens and 20s. I remember the beach trips, Disney World, concerts, four-wheelers, and many other fond memories. We worked at Sherwin-Williams, NBC bank, and Community Bank together. The jobs were always more fun when Nick was sharing the experience with me. Nick was always doing something crazy to make me laugh, whether it was accidentally pulling down a garage door with a forklift at Sherwin Williams or running over a big ladder so hard with the Community bank truck that the ladder slapped both sides of the truck. 😊 Never laughed so hard in my entire life. Nick deeply loved his family and they loved him. He had great support from his Mom, Dad, sister, grandparents, aunts and uncles growing up. He was very proud of his family and I was glad to get to know them as well. As time progressed, he started dating and ultimately married Sarah. I got to know her well and we got to spend time together as couples. She is a wonderful person that was a great blessing to his life. I will pray for the family in the days ahead and will look back fondly on the time spent with Nick. Love to all, Keith Seaton

“ I was privileged to serve with Nick for several years at LF/Compel Church on the greeting team. He always had a smile and enjoyed sharing about his family. Ironically we are in Branson, MO where some of his family lived. I remember him talking about taking the kids to Kanakuk Camp every year. I know he will be greatly missed by all who loved him and the people he touched daily. We are praying for Sarah and the children as they face this terrible time.
