“ Family, of my dear friend Noralee, How do I begin to tell you what a sweet and dear person Noralee was every day I saw her. I always wanted Noralee to check me out at Larson's, she was such a beautiful person inside and out. I love her so much. She worked as much as she could, then would go to Fred's at work. She is in Heaven now and not hurting or so tired from helping all. I hope she is seating and off her feet. God Bless your mother, and all family members. She is a True Angel now, as she was on earth. In Jesus name I pray, Amen! Becky Bowen Christman!

“ Dear Justin and Dustin, I am so sorry to hear about your grandmother. She loved you boys so much- you are all she talked about when I saw her at Larson's. I know you will miss her. My deepest sympathy to you, Angela. It's tough loosing a parent, especially as close as you were with your mom. My prayers are with you and the boys. God's peace that passes all understanding be with you.

“ Noralee (and family). I'm so sorry, Sorry that the cancer came back and sorry you lost your fight. You were a bright spot in my life for a decade or more when I went to do the most mundane task of buying food. You were always so sweet and so positive, even when you were fighting for your life. Thank you for being yourself and letting your light shine. I miss you. My prayers to the family in their loss.

“ The color yellow represents FRIENDSHIP. This is why I have chosen this yellow candle to light in memory of my friend, Noralee Jean Michelletti. She will truly be missed at CashSaver's. She was always friendly and cordial. I always complained to her about prices being too high at CashSaver's and she complained that her light bill was always too high at North East Power. LOL We both agreed that there was nothing we could do about either situations. LOL To Nora's family: Earth has no sorrow that HEAVEN cannot cure. My prayer for you is for strength, comfort, understanding and peace.

“ *Man this a really hard pill to swallow. I remember crying because I was scheduled to work on Halloween and she said don't cry. She said she and Angie would take my son trick or treating with their boys. I was so grateful for her comment that I believe it made me cry even more. Sweetest lady I know.
