“ I had the pleasure of meeting Norman through my Sister Sharon Livingston and brother -in-law Johnny Livingston who worked with Johnny at Delta Airlines in the mid-70's. While Scott had worked in the airline industry he had never been in a small private-plane, so one day I called them both and we went to High-Air on Democrat rd were I flew out of for pleasure and we flew Scott and Johnny around Memphis for about an hour. Scott was so excited especially flying back into Memphis Airport. I meet Scott several times after that and always thought that Scott was a great person and friend of the family. I was saddened to hear of Scotts passing and I'm thankful for meeting such a nice individual over the years. My heart goes out to the Scott Family.

“ Enjoyed working with Norman in Memphis and sharing meals together when he worked in the Jackson Ms area. Still have much of his excellent framing work and have kept some old emails between him, me and Uncle John. Great memories! His family is in our prayers.
