“ I remember that sweet, fiesty lady since a very young girl!! We'd hang out at their house in OB for Football games with my Dad (he and Joe were Steeler fans and colleagues) in the 80's. Joe and Ann were married in our home and then we moved away..... In 2000, my parents moved back to OB, only to be neighbors with them and still, our families were life-long friends. I was privileged to have been able to help care for her in the hospital this past year and spend some special time. She LOVES her husband and family- that was all she spoke about. I love y'all and only wish there was some way you could have spent FaceTime before her passing. I just loved her spirit & her giving heart. 🙏

“ Ann has been a friend for 40 years and a neighbor for 20 years. She was a happy good-hearted person who loved her family and friends and always would do anything she could for them. We have been blessed to have her in our lives and know she is resting in peace. Our deepest sympathy and love to Joe and all her family. She will be greatly missed. Dave and Bonnie

“ In August, 2013, Ann and Joe came to Pittsburgh to visit Joe's family. Ann was such a delight to have around. The family loved showing her Joe hometown. A nice lunch and some shopping north of Pittsburgh was a good time as shown in the photos. We will miss her fun spirit.

Even though I didn't get to Olive Branch but a few times. Ann always made me feel welcome and went out of her way to show that southern hospitality. No one could make barbecue like her and Joe. She will be greatly miss ed.

“ Ann,
It's hard to believe that we have been friends for 50 years. I so well remember the times that we went through together, as best friends from the first time we met at work. I loved you as my best friend and as a sister, and to that I am most grateful. I am so glad you had Joe in your life and now you are celebrating a brand new healed and healthy body with Jesus. See you soon and very soon. Save me a place! 🙏
Much love my friend.
