“ *Julian Tatum is the most remarkable father I ever knew. He stepped up to the plate alone with no hesitation. I'll never forget that or how much he loved that boy. Owen can now share time in eternity with his dear brother Christopher. God bless them both.*

“ *When Patrick was four, I watched Juli carry him through a wooded field of daffodils in dappled sunlight. It was one of the most beautiful, loving gestures I'd ever seen and truly expressed how deeply he was loved. I'm very sorry for your loss.*

“ *Owen and I have been friends from the time he would come for
therapy as a one year old until the day he passed away. Those of us
who knew him, could tell how his day was going by his lovely
expressive face the minute we walked into his room. He was
wonderful and we loved him dearly.*
