“ *My favorite memories of Gaga are the ones she spent with my children (her great-grandchildren) and the many stories they would read. She gifted our kids with books that she had purchased for Dusty when he was a baby and they loved to read them all. Of course, she had a hard time seeing the words so she usually made up a story and the kids smiled and laughed along.*

*She loved spending time with family and loved watching her great-grandchildren play and participate in their favorite activities. She had a gift with her voice and would sing or hum lullabies to our children as she rocked them to sleep.*

*We miss you terribly Gaga but know you are at peace now, and with the love of your life. RIP. Love, Dusty, Jessie, Sammy, Harry and Emery Lou.*
