“ I cherish the infinity wisdom and conversations we had. The support he always showed from the time I was a teenager till even an adult. Never seen him without a smile and kind word. The laughs we had with him and my father will forever be a fond memory. Thank you Paul for being a mentor and friend.

“ *I adored Mr. Paul. Working for him over the last 8 years was a true honor. I will miss his phone calls to my desk, I will miss our conversations, I will miss making an afternoon run to Sonic to pick up our favorite drink (cherry limeades). Mr. Paul once told me that I was a true asset to his Company. I took that compliment to heart and I will carry it with me always. Mr. Paul will be greatly missed by all us. He was truly one of a kind.*

“ *I will always remember Mr. Paul and be grateful for having the time to work with him. One of my most favorite memories of him was when I first went to work there and Emma was little. She would be in his office in his lap and he would hold her and rock her to sleep. He loved his family so very much and was a very proud man. He will be missed no doubt. Prayers and God's blessings for all of his family. It is a great loss for us all.*
